Act 94 of 1979

388.1852.amended State tuition grant program

Sec. 252. (1) The amounts appropriated in section 236 for the state tuition grant program shall be distributed pursuant to 1966 PA 313, MCL 390.991 to 390.997a.

(2) Tuition grant awards shall be made to all eligible Michigan residents enrolled in undergraduate degree programs who are qualified and who apply before July 1 of each year for the next academic year.

(3) Pursuant to section 5 of 1966 PA 313, MCL 390.995, and subject to subsections (7) and (8), the department of treasury shall determine an actual maximum tuition grant award per student, which shall be no less than \$1,512.00, that ensures that the aggregate payments for the tuition grant program do not exceed the appropriation contained in section 236 for the state tuition grant program. If the department determines that insufficient funds are available to establish a maximum award amount equal to at least \$1,512.00, the department shall immediately report to the house and senate appropriations subcommittees on higher education, the house and senate fiscal agencies, and the state budget director regarding the estimated amount of additional funds necessary to establish a \$1,512.00 maximum award amount. If the department determines that sufficient funds are available to establish a maximum award amount equal to at least \$1,512.00, the department shall immediately report to the house and senate appropriations subcommittees on higher education, the house and senate fiscal agencies, and the state budget director regarding the maximum award amount established and the projected amount of any projected year-end appropriation balance based on that maximum award amount. By February 18 of each fiscal year, the department shall analyze the status of award commitments, shall make any necessary adjustments, and shall confirm that those award commitments will not exceed the appropriation contained in section 236 for the tuition grant program. The determination and actions shall be reported to the state budget director and the house and senate fiscal agencies no later than the final day of February of each year. If award adjustments are necessary, the students shall be notified of the adjustment by March 4 of each year.

(4) Any unexpended and unencumbered funds remaining on September 30, 2017 from the amounts appropriated in section 236 for the tuition grant program for fiscal year 2016-2017 shall not lapse on September 30, 2017, but shall continue to be available for expenditure for tuition grants provided in the 2017-2018 fiscal year under a work project account. The use of these unexpended fiscal year 2016-2017 funds shall terminate at the end of the 2017-2018 fiscal year.

(5) The department of treasury shall continue a proportional tuition grant maximum award level for recipients enrolled less than full-time in a given semester or term.

(6) If the department of treasury increases the maximum award per eligible student from that provided in the previous fiscal year, it shall not have the effect of reducing the number of eligible students receiving awards in relation to the total number of eligible applicants. Any increase in the maximum grant shall be proportional for all eligible students receiving awards for that fiscal year.

(7) Except as provided in subsection (4), the department of treasury shall not award more than \$3,200,000.00 in tuition grants to eligible students enrolled in the same independent nonprofit college or university in this state. Any decrease in the maximum grant shall be proportional for all eligible students enrolled in that college or university, as determined by the department.

(8) The department of treasury shall not award tuition grants to otherwise eligible students enrolled in an independent college or university that does not report, in a form and manner directed by and satisfactory to the department of treasury, by September 30 of each year, all of the following:

(a) The number of students in the most recently completed academic year who in any academic year received a state tuition grant at the reporting institution and successfully completed a program or graduated.

(b) The number of students in the most recently completed academic year who in any academic year received a state tuition grant at the reporting institution and took a remedial education class.

(c) The number of students in the most recently completed academic year who in any academic year received a Pell grant at the reporting institution and successfully completed a program or graduated.

(9) By February 1, 2017, each independent college and university participating in the tuition grant program shall report to the senate and house appropriations subcommittees on higher education, the senate and house fiscal agencies, and the state budget director on its efforts to develop and implement sexual assault response training for the institution's title IX coordinator, campus law enforcement personnel, campus public safety personnel, and any other campus personnel charged with responding to on-campus incidents, including information on sexual assault response training materials and the status of implementing sexual assault

response training for institutional personnel.
